

Greetings, Parents of Seniors & Graduating Students!

It's that time of year where the seniors are winding down from their last year of high school, and band parents are trying not to go into marching band withdrawal. This year has been disappointing beyond belief for the graduating class of 2020, and we feel for each and every one of you where there's been a disconnect from the senior camaraderie and events. But there's hope to regain some sense of normalcy in the near future. We hope and pray that each of you stay well, stay safe, and have huge success in your graduate's future endeavors. In the meantime, join the Alumni Association and stay connected to this great group of parents and students!

Please take time to view the general Alumni page on the moonband.org website. As you can see, the Alumni Association's main goal is to raise funds for the marching band. Additionally, we gather periodically throughout the year on a social basis. These "socials" have been limited lately, but we will be anxious to gather together once we are able.
