

To set up Amazon Smile on your iPad

- 1- in Safari, go to smile.amazon.com (It will not work in Chrome)
- 2- touch the share button (It looks like a box with an arrow) to the left of the website address
- 3- touch add to home screen
- 4- touch add
- 5- remove old Amazon app so you are always shopping through Amazon Smile.
- 6- if you already added MABPO on your phone app, you are done. If not, tap the three lines on the top left of your screen. Scroll down to the bottom to "Your Amazon Smile" and add MABPO as your charity.
