MOON AREA HIGH SCHOOL MARCHING BAND
2019 COMPRESSION SHIRT ORDER

WIND AND PERCUSSION PERFORMERS ONLY

Our marching band uniforms utilize state of the art design and fabric technology, which differ from our previous uniforms. Lighter fabrics and new age construction techniques not only provides a tall, sleek line on each performer, but provides the performer with a more comfortable experience while moving and playing as well as enduring warm weather conditions.

Our uniform company has recommended that student's wear a compression/wicking type undergarment as the top layer (garment touching the jacket) to increase the longevity of the jacket, prevent staining, and decrease the overall aging of the jacket. We are requiring **ALL WIND AND PERCUSSION PERFORMERS TO WEAR/PURCHASE THE MAHS MARCHING BAND COMPRESSION SHIRT**. This shirt will protect the uniform in warm weather conditions as the perspiration is evenly distributed across the fabric, and also provide a uniformed look when we remove the jacket. We will utilize this shirt every year, for all performances underneath the uniforms for the life of the uniform (10 years). **Students who have the shirt from last marching band season, and it is in wearable condition, are not required to purchase a new shirt, unless parents/students feel it is necessary.** The shirt will have the new MASD "Moon Area" district logo printed on the upper chest area. Students with the old logo **DO NOT** need to purchase the new shirt. This compression shirt will be a required undergarment underneath the uniform.

Student's and parent's will have the option of purchasing either a short sleeve, long sleeve shirt, and/or more than one shirt. The long and short sleeve shirts are the same material. **Student's must purchase at least one shirt**, but for colder weather, the long sleeve option maybe advisable.

I have researched different brands and companies, and have found Eastbay to be cost efficient, durable, and they will have the ability to replicate our order for several years.
