

MOON AREA BAND PARENTS ORGANIZATION

July 26, 2019

Dear Parents/Guardians,

You are cordially invited to participate in Senior Recognition Night on the evening of Friday, August 30, 2019. This is an opportunity for the entire community to recognize and honor our senior band members for all their hard work, outstanding performances and wonderful memories.

Please arrive at the high school cafeteria between 4:45-5:15 PM to be photographed with your senior by Jared Tuk/Available Light Photography (photos will be taken at the bottom of the stairs outside of the cafeteria). The Moon Area Band Parents Organization (MABPO) will provide one complimentary 5x7 and four wallet-sized photos per senior. If you wish to pay for additional photos, you can work directly with Jared during the photo session.

After photos, you will be escorted to the stadium. There will be a special seating area for all the senior parents/guardians and their families. During the halftime presentation, you will accompany your senior band member onto the field. Immediately following the game, MABPO will host a dinner reception in the cafeteria. Senior band members and two parents/guardians eat free; additional family members may attend the dinner at a cost of \$10.00/each. **Those dinners must be paid for in advance. No additional dinner orders will be accepted after Friday, August 16, 2019.**

Please be sure to have an adequate meal before you arrive for photos, as dinner will be served after the game and not at halftime.

Please complete the enclosed RSVP and return along with your payment (if applicable) by **Friday, August 16, 2019** by mail or in person to:
